

## Gatto

by Achille & Pier Giacomo Castiglioni , 1960

Table lamp providing diffused light. White powder coated internal steel structure sprayed with a unique "cocoon" resin to create the diffuser which is then protected by a transparent sprayed on finish. On the cable there is the electronic dimmer which allows the regulation of light brightness.

|                         |                                                                                                                                                                                                                                                                                                                                                                                                                                              |
